SD Guthrie International is involved in full spectrum of the palm oil value chain. Our current operations comprise of production of oils and fats, oleochemicals, biodiesel, other palm oil derivatives and renewables as well as the sales and marketing of these products in 16 countries.

As one of the world's largest producers of certified sustainable palm oil, SD Guthrie International has been at the forefront of agriculture research and development, driven by a deep commitment to revolutionise the process of oil palm breeding through innovative solutions and technologies.

**SD Guthrie International's
Global Presence**

Certio Palm Oil and Certio Palm Olein

- A premium quality pourable frying oil, derived from carefully selected fruits handled with care throughout the milling process.
- Low Free Fatty Acid (FFA) up to 0.05% max resulting to more stable and fresher oil quality.
- Maintains clarity and freshness even after multiple fries.
- Reliable for continuous frying session.
- Lower Total Polar Matter (TPM) making it a safer cooking oil to consume.
- Ideal for all types of cooking, stir-frying, deep frying, sauteing and baking and a replacer of dairy fat.

Sunbeam Soya Oil

- Made from the finest quality soybeans.
- Naturally cholesterol-free.
- Enriched with Omega-3 and Omega-6 – essential fatty acids that the body needs for overall health. Omega-6 supports brain function, while Omega-3 helps maintain heart health.
- A natural source of Vitamin E, known for its antioxidant properties.
- High in polyunsaturated fats that help lower bad cholesterol and reduce the risk of heart disease.
- Features a high smoke point, perfect for frying and stir-frying.
- A versatile, healthier choice for all types of cooking – from baking and sautéing to salad dressings.
